OBJECTIVE

Business Technology Management student at Toronto Metropolitan University with hands-on experience in sourcing, outreach, and client relationship management at a recruitment firm, paired with an ability to direct AI tools to build real, working products, most recently an AI-powered CRM for recruiters. Seeking an internship or co-op where both sides of that combination are useful.

SKILLS

- Sourcing & Business Development
- Executive Relationship Management
- Needs Analysis & Requirements Gathering
- Marketing & Outreach
- Project Management
- Problem Solving
- AI-Assisted Product Development
- Rapid Prototyping
- Automation & Workflow Design

WORK EXPERIENCE

Shikari Group, Recruitment (Finance & Accounting)

April 2026 - August 2026

Client Relations Associate

- Owned sourcing and outreach for a finance & accounting recruitment desk, finding candidates and clients.
- Ran discovery meetings with senior executives to understand their mandates well enough to fill them.
- Took on marketing and other work beyond the core scope of the role.

The WoodPrint

December 2022 - January 2025

Founder

- Founded and ran an Ontario-based custom wood design and 3D-printing business, specializing in unique carpentry and printed products.
- Owned the full order lifecycle: operations, sales, and customer relations, end to end.

INDEPENDENT PROJECTS

Clinder, AI Sourcing & CRM for Recruiters

2025 - Present

- Designed and directed the AI-assisted build of a multi-tenant recruitment CRM unifying candidate and client sourcing, AI-assisted search, and pipeline management into one platform.

Outreach Video Automation Tool

2025

- Built a tool that automatically compresses, transcribes, subtitles, and brands outreach videos on save, removing a manual editing step from an outreach workflow.

Online Ordering Platform for a Local Butcher Shop

2024

- Built an online ordering platform letting customers order and pay ahead, cutting in-store wait times during rush hours from 45+ minutes to a quick pickup.

EDUCATION

Toronto Metropolitan University

September 2025 - Present

Bachelor of Commerce, Business Technology Management

- Coursework spanning business analysis, systems thinking, and software development.

ISNA High School

September 2021 - June 2025

Ontario Secondary School Diploma (OSSD)

ADDITIONAL EXPERIENCE & CERTIFICATIONS

- Umpire, Mississauga North Baseball Association: officiates games, enforces rules, and manages game flow (March 2025 - Present)
- CPR/First Aid Certified, OBA Certified
